## **MADAGASCAR: AN ECOLOGICAL VILLAGE TO COPE WITH CLIMATE CHANGE**

Development and Peace's *People and Planet First* campaign celebrates what solidarity can achieve, even against seemingly impossible odds.

In Madagascar, for instance, Development and Peace's partner, the Development Council of Andohatapenaka (CDA), empowers people to manage and transform their neighbourhoods.

In the capital region, which is afflicted by flooding and poor waste management, CDA has helped the residents of one vulnerable area to turn their environs into a thriving ecological village. Today, each of the 50 households involved in the project has a vegetable garden, a stove and solar panels. This transformation reflects a true ecological conversion.

## **QUILT RAFFLE**

*This beautiful Queen-sized (87x107) quilt in a "Framed Log Cabin" pattern and made by the Ladies of the St. Al's Sewing Group is ready to be raffled.*

*The quilt will be displayed at the back of the church and tickets will be made available there as well. Since we are still in the throes of the pandemic, we are being very cautious regarding the selling of tickets. We would suggest that, if you are interested in buying tickets, you take the ticket books home, complete them there and on your next visit to St. Al's, return the completed ticket stubs and payment. There will be a bowl placed at the back of the church for this purpose.*

*If anyone is interested in taking extra books to sell to family and friends - please do so. We would very much appreciate your help in selling the tickets as a portion of the sales will be donated to our parish.*

*If you are in need of more tickets please contact Carol in the church office.*

*Tickets are sold for:*

*\$5.00 for a full book (6) or \$1.00 for a single ticket*

*The draw for this beautiful quilt will be held at a later date.*

**GOOD LUCK TO ALL!**
